HYUNDAI ARCHERY WORLD CUP RULES - 2018

Hyundai Archery World Cup Stages (AWCS)
Hyundai Archery World Cup Final (AWCF)
Hyundai Archery World Cup Ranking (AWCR)

(Version 1.0 – printed 16 January 2018)

1. Hyundai Archery World Cup Stages (AWCS)

1.1. There will be four (4) AWCS in 2018 for recurve and compound divisions in outdoor archery, male and female.

- **Shanghai, CHN** (23 - 29 April 2018)
- **Antalya, TUR** (20 - 26 May 2018)
- **Salt Lake City, USA** (18 - 24 June 2018)
- **Berlin, GER** (16 - 22 July 2018)
- **Samsun, TUR** (29 - 30 September 2018)

Athletes wishing to qualify for the AWCF should compete in the AWCS.

1.2. Each Member Association, including the AWCS organising host countries, may enter a maximum of four (4) men and four (4) women per category (i.e. 4 recurve men, 4 recurve women, 4 compound men, 4 compound women).

1.3. The following competitions will be organised in each of the AWCS:

- Individual (RM, RW, CM, CW)
- Team (RM, RW, CM, CW)
- Mixed Team (Recurve & Compound)

1.4. Points for the AWCR can be won at any of the AWCS.

All four AWCS hold the same value for World Cup purposes, though they may have different factors for the World Ranking.

1.5. The competition format will follow the current World Archery Rules 2018. Please refer to the World Archery Rules Book and to the Question and Answer sections on www.worldarchery.org for more details.

1.6. INDIVIDUAL competition: Athletes ranked in the top 16 positions in each AWCS will win points for the AWCR.

Points will be awarded based on the following table:

| | |
|--|-----------|
| 1 st place: | 25 points |
| 2 nd place: | 21 points |
| 3 rd place: | 18 points |
| 4 th place: | 15 points |
| 5 th place: | 13 points |
| 6 th place: | 12 points |
| 7 th place: | 11 points |
| 8 th place: | 10 points |
| 9 th – 16 th place: | 5 points |
| 17 th – 32 nd place: | 1 point |

Only the athlete's best three results will count towards their AWCR.

1.7 In a tied situation to qualify for the Hyundai World Cup Final, ties will be solved on the following basis:

- The athletes' position in the World Ranking issued immediately after the last AWC stage (Berlin, July 2018)
- If the tie persists, the athletes' position in the latest AWCR in 2018
- If the tie still persists or neither of the athletes were present in the previous year's AWCR, the result of the last AWCS in which they both participated;
- If still unsolved, a coin toss will be made

1.8 Athletes that win one of the 4 stages will automatically qualify for the World Cup Final. The remaining places will be awarded based on the final ranking list with the 8th position, in each individual category, being awarded to the athlete from the host nation of the organising country. However, there is a limitation of two athletes from the same country in each category.

In case there are more than two athletes from the same country among the top 7 places, then the next available athlete(s) in the AWCR will be selected.

In case there are two athletes from the host country among the top 7 places, both will qualify. The organising country will not be able to choose a third athlete and the next available athlete in the AWCR will be selected.

A position in the AWCR can be used only by the athlete who won it. It is not a position won for the athlete's country. This means that the athlete who wins a position for the AWCF cannot be replaced by another athlete from their own country.

1.9 If an athlete who has won a position for the AWCF is unable to participate, the next ranked athlete on the AWCR will be invited to compete in the AWCF. A deadline for confirmation of participation will be established and published by World Archery, giving time for substitution if necessary.

1.10 MIXED TEAM Competition: The mixed team competition will continue in 2018 in order to keep developing and promoting this competition. A mixed team is composed of one (1) male and one (1) female athlete from the same country and same bow division.

1.11 The best eight (8) mixed teams will receive points for the Mixed Team Ranking (MTR):

| | | | |
|------------------------|-----------|--|----------|
| 1 st place: | 16 points | 5 th place: | 4 points |
| 2 nd place: | 12 points | 6 th place: | 3 points |
| 3 rd place: | 10 points | 7 th place: | 2 points |
| 4 th place: | 8 points | 8 th -16 th place: | 1 point |

1.12 All four AWCS in 2017 will count for the AWCR.

1.13 After completion of the AWCS, and the final MTR, the top team (first country in Recurve and in Compound Mixed Team Ranking) will qualify for the AWCF to play the teams from the host nation. In case the team(s) from the host nation are first in the AWCR, the second team(s) will be selected. The mixed team qualification doesn't automatically imply a qualification for the individual competition. The choice of who shoots in the mixed team is a choice of the Member Associations concerned.

1.14 Ties in the MTR will be solved on the basis of:

- The mixed team's position in the mixed team World Ranking issued immediately after the last AWC stage (Berlin, July 2018)
- If the tie persists, the mixed team's position in the latest AWCR in 2018
- If the tie still persists or neither athlete of the mixed team were present in the previous year's AWCR, the result of the last AWCS in which they both participated
- If still unresolved, a coin toss will be made

2. Hyundai Archery World Cup Final (AWCF)

2.1 The 2018 AWCF will be held in Samsun, Turkey on 29-30 September 2018.

2.2 Qualified athletes and the Member Associations involved will be contacted by World Archery, to whom they will confirm their participation and agree with the participation conditions of the AWCF. After that, World Archery will officially confirm the participation and registration to this final event.

2.3 All athletes will comply with sponsoring and marketing requirements. For example, each athlete will have to include on their shirt an advertisement of two (2) World Archery Sponsors, which will be attached on site. Athletes will be asked to provide the shirt they will compete in upon arrival.

2.4 Single room, full board accommodation will be provided by the LOC at the official event hotel for athletes, who participate in the AWCF. Qualified athletes will be invited to arrive one (1) day prior the day of familiarisation (Friday 28 September 2018) and leave the day after their respective competition finishes. All local transportation will be provided by the LOC.

2.5 The roundtrip flight/journey to Samsun, Turkey needs to be arranged and covered by the athlete (or their Member Association, sponsor, etc.). World Archery will not cover this cost.

2.6 All matches will follow the World Archery Rules 2018.

2.7 The top two athletes in the 2018 AWCR, for each category, will be placed at the two opposites ends on the bracket. The remaining athletes position in the draw will be decided by mean of a random draw. Athletes, will be paired following the outcome of the draw starting at the quarterfinal final stage, followed by the semifinals finals and medal matches.

- 2.8 At the start of each match the highest ranked athlete, in the AWCR, has the decision in who shoots first to start the match. The lower ranked athlete decides who is to shoot on which target, i.e. target 1 or target 2.
- 2.9 All matches may be televised live on different TV channels or included in the TV production.
- 2.10 The finalised competition schedule and details of the AWCF will be communicated on www.worldarchery.org and to the finalists two weeks before the start of the competition.

Athletes are required to complete a prize money form for all the AWCS or AWCF in which they have won prize money.
